MONTHLY
BIBLIOGRAPHY ON EXOTIC ANIMAL DISEASES

COMPILED BY: B. BALASSA, LIBRARIAN

FEBRUARY 1969

U. S. DEPT. OF AGRICULTURE
U. S. DEPT. OF AGRICULTURE
NATIONAL AGRICULTURAL LIBRARY
NATIONAL AGRICULTURAL LIBRARY

MAY 6 1969
MAY 6 1969

CURRENT SERIAL RECORDS

UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL RESEARCH SERVICE
ANIMAL DISEASE AND PARASITE RESEARCH DIVISION
PLUM ISLAND ANIMAL DISEASE LABORATORY
POST OFFICE BOX 848
GREENPORT, LONG ISLAND, NEW YORK 11944

1. ENTRIES ARE ARRANGED IN ALPHABETICAL ORDER BY DISEASE.
2. DISEASES ARE INDICATED AT THE BEGINNING OF EACH GROUP.
3. UNDER DISEASE, ENTRIES ARE ARRANGED IN ALPHABETICAL ORDER BY AUTHOR'S NAME.
4. ON THE RIGHT MARGIN, "PIL", "NUMBER", AND "LIBRARY CLASSIFICATION CALL NUMBER" INDICATE ARTICLE APPEARS IN A PERIODICAL (JOURNAL) IN THE LIBRARY, PUBLICATION IS AVAILABLE IN THE "REPRINT-FILE" UNDER THE INDICATED NUMBER, AND BOOK IS AVAILABLE IN THE LIBRARY.

AFRICAN HORSE SICKNESS

CHENEAU, Y.

Contribution a l'etude de la peste equine. Son actualite, sa legislation sanitaire en France. (African horse sickness today. Control legislation in France.)

--Thesis, Lyon, pp. 86, 1967 (F.).

Index Vet. 36(2):34, 1968, publ. 1969.

PIL

STERNE, M., and BATTY, I.

Immunoprophylaxis in veterinary medicine.

In: Clin. Aspects Immunol., 2d ed., p. 1265-1280, ed. by P.G.H. Gell, and R.R.A. Coombs.

Oxford, Blackwell Sci. Publ., 1356 p., 1968.

QR 183 G4

SYMPOSIUM ON IMMUNITY TO SELECTED EQUINE INFECTIOUS

DISEASES. Lexington, Kentucky, November 18-22, 1968.

Report of the panel.

J. Amer. Vet. Med. Ass. 154(2):171-176, 1969.

PIL

AFRICAN SWINE FEVER

BOULANGER, P., and others.*

American and African swine fever.

Econ. Med. Anim. 9:3-11, 1968 (F.).

Index Vet. 36(2):24, 1968, publ. 1969.

*G.L. Bannister, G.M. Ruckerbauer, A.S. Greig, and D.P. Gray.

PIL

CAME, P.E., and DARDIRI, A.H.

Host specificity and serologic disparity of African swine fever virus and amphibian polyhedral cytoplasmic viruses.

Proc. Soc. Exp. Biol. Med. 130(1):128-132, 1969.

PIL

COLGROVE, G.S.

Immunofluorescence and inclusion bodies in circulating leukocytes of pigs infected with African swine fever virus.

Bull. Epizoot. Dis. Afr. 16(3):341-343, 1968.

PIL

AFRICAN SWINE FEVER

EAST AFRICAN VETERINARY RESEARCH ORGANIZATION.

Muguga, Kenya.

Annual report 1967, July 1966-December 1967.

Nairobi, Acme Press Limited, [1968], 76 p.

#3258/3

KRETININ, V.K.

Dynamics of the morphological composition of
blood in African and classical swine fever.

Dokl. Vses. Akad. Sel'skokhoz. Nauk. 1968

No. 2:32-35, 1968 (R.).

Index Vet. 36(2):105, 1968, publ. 1969.

PIL

SIDOROV, M.A.

Resistance of African swine fever virus to
some physical factors and to ether.

Dokl. Vses. Akad. Sel'skokhoz. Nauk. 1968

No. 1:36-38, 1968 (R.).

Index Vet. 36(2):180, 1968, publ. 1969.

PIL

STOYANOV, V.

African swine fever.

(Bu) Vet. Med. Nauk. 4(10):79-81, 1967.

Bibliogr. Agr. 33(1):130(3760), 1969.

PIL

U.S. EMBASSY, Rome.

[Reporting outbreak of African swine fever
at Fiano Romano. 80 head of swine slaughtered
and buried January 5, 1969.]

Mimeogr. copy.

#134

CAPRINE PLEUROPNEUMONIA

ARGAMAN, M., and RAZIN, S.

Antigenic properties of mycoplasma organisms
and membranes.

J. Gen. Microbiol. 55(1):45-58, 1969.

PIL

MADDEN, D.L., and McCULLOUGH, N.B.

Basic biological characteristics of mycoplasma.

J. Amer. Vet. Med. Ass. 151(12):1638-1649, 1967.

PIL

CONTAGIOUS AGALACTIA OF SHEEP AND GOATS

MADDEN, D.L., and McCULLOUGH, N.B.

Basic biological characteristics of mycoplasma.

J. Amer. Vet. Med. Ass. 151(12):1638-1649, 1967.

PIL

MARTIN, C.E., and others.*

A clinical and pathologic study of the mastitis-
metritis-agalactia syndrome of sows.

J. Amer. Vet. Med. Ass. 151(12):1629-1634, 1967.

*B.E. Hooper, C.H. Armstrong, and H.E. Amstutz.

1. The first group of people who are not in the labor force are those who are not in the labor force because they are not in the labor force. This group is the largest group of people who are not in the labor force.

It is not possible to find a single, simple, and unambiguous definition of the term "information" that would satisfy all the requirements of the various fields of knowledge and the various human activities. The concept of information is too broad and too complex to be defined in a single, simple, and unambiguous way. The concept of information is too broad and too complex to be defined in a single, simple, and unambiguous way.

1. The first part of the report deals with the general situation in the country. It is a very interesting and informative study of the country's development since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's development.

II

2. The second part of the report deals with the economic situation. It is a very interesting and informative study of the country's economic development since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's economic development.

III

3. The third part of the report deals with the social situation. It is a very interesting and informative study of the country's social development since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's social development.

4. The fourth part of the report deals with the political situation. It is a very interesting and informative study of the country's political development since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's political development.

IV

5. The fifth part of the report deals with the cultural situation. It is a very interesting and informative study of the country's cultural development since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's cultural development.

6. The sixth part of the report deals with the foreign relations situation. It is a very interesting and informative study of the country's foreign relations since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's foreign relations.

7. The seventh part of the report deals with the future of the country. It is a very interesting and informative study of the country's future since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's future.

V

8. The eighth part of the report deals with the conclusion. It is a very interesting and informative study of the country's conclusion since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's conclusion.

9. The ninth part of the report deals with the appendix. It is a very interesting and informative study of the country's appendix since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's appendix.

VI

10. The tenth part of the report deals with the bibliography. It is a very interesting and informative study of the country's bibliography since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's bibliography.

11. The eleventh part of the report deals with the index. It is a very interesting and informative study of the country's index since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's index.

12. The twelfth part of the report deals with the conclusion. It is a very interesting and informative study of the country's conclusion since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's conclusion.

VII

13. The thirteenth part of the report deals with the appendix. It is a very interesting and informative study of the country's appendix since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's appendix.

14. The fourteenth part of the report deals with the bibliography. It is a very interesting and informative study of the country's bibliography since 1945. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's bibliography.

OWEN, B.D., and others.*

Effects of porcine immune globulin administration
on the survival and serum protein composition
of colostrum-deprived pigs reared in a non-
isolated environment.

Can. J. Anim. Sci. 41:236-252, 1961

*J.M. Bell, C.M. Williams, and R.G. Oakes.

MISCELLANEOUS

PUTNAM, F.W.

Immunoglobulin structure: variability and homology.

["Amino acid sequences of immunoglobulins reflect evolutionary change and may explain antibody variability."]

Science 163(3868):633-644, 1969.

PIL

REJNEK, J., KOSTKA, J., and TRAVNICEK, J.

Studies on the immunoglobulin spectrum of porcine serum and colostrum.

Folia Microbiol.(Prague) 11:173-178, 1966.

#8176

REJNEK, J., KOTYNEK, O., and KOSTKA, J.

Contribution to the structural characterization of gamma globulin from pig colostrum.

Folia Microbiol.(Prague) 10:327-334, 1965.

#8174

SHISHIDO, A.

Problems in safety of viral vaccines.

Pres. Symp. on Safety of Vaccines. Held National Institute of Health, Tokyo, Japan, November 22nd, 1967.

Jap. J. Med. Sci. Biol. 21(4):298-299, 1968.

PIL

SPIVAK, J.

Fighting viruses: scientists see promise in new line of attack on infectious diseases. - Aim is to employ interferon, a natural defense; use on colds, cancer studied. - Much research still needed.

Wall Street J., p. 1, 21, February 17, 1969.

#8188

STERZL, J., REJNEK, J., and TRAVNICEK, J.

Impermeability of pig placenta for antibodies.

Folia Microbiol.(Prague) 11:7-10, 1966.

#8175

SYMPOSIUM ON SAFETY OF VACCINES—WITH SPECIAL REFERENCE TO THE RELATION BETWEEN THE LABORATORY TEST AND THE SAFETY IN HUMANS. Held at the National Institute of Health, Tokyo, Japan, November 22nd, 1967.

["Papers presented."]

Jap. J. Med. Sci. Biol. 21(4):295-300, 1968.

PIL

TAGAYA, I.

Safety of viral vaccines; poliovaccines as a model.

Pres. Symp. on Safety of Vaccines. Held National Institute of Health, Tokyo, Japan, November 22nd, 1967.

Jap. J. Med. Sci. Biol. 21(4):296-297, 1968.

PIL

U.S.D.A., AGRICULTURAL RESEARCH SERVICE. DENVER ANIMAL DISEASE LABORATORY.

Bluetongue turns to cattle.

Agr. Res.(USDA) 17(8):8-9, 1969.
